# The Best Hotels in San Antonio

*Whether you want to be right by the Alamo or on the fringes of Texas Hill Country.*

It should come as no surprise that the Alamo City has a slate of hotels as vibrant and storied as the city's annual Fiesta celebration each April. Travelers seeking some R&R will find it in the Hill Country, where sprawling resorts boast world-class golf courses and new-age spa treatments. At the heart of the **Pearl District** is an old brewhouse turned five-star showstopper. And downtown and along the **River Walk** there's a little bit of everything, from historic gems to just-built boutique properties. Whether you're in town for business or pleasure—or both—check out our list of the best hotels in San Antonio.

## La Cantera Resort & Spa →

\$\$ | 🏆 READERS' CHOICE AWARDS 2017, 2018, 2019, 2020, 2021

Atop one of the highest points in San Antonio, the views here can't be beat, which is why we recommend booking a room with a balcony. In addition to an adults-only floor and luxe villas perfect for large groups, guests will delight in the exclusive spa treatments and memorable dining options—from a concept dedicated entirely to charcuterie boards to a juicery that offers mood-enhancing Lotus Wei elixirs. The star, however, is Signature, a restaurant that's a feast for all the senses by serving up seafood and wild game in an old-world setting.
