# 4 OTHERS WORTH THE VISIT

## **LAKE AUSTIN SPA RESORT AUSTIN**

Situated among the spa's 19 lakefront acres in legendary Hill Country, the Junior Olympic-length lap pool in a grand barn is just one highlight. The *hari* treatment (\$150 for 50 minutes), a no-needle type of acupuncture, is another. [lakeaustin.com](http://lakeaustin.com)

## **THE SPA AT PELICAN HILL NEWPORT COAST, CALIFORNIA**

We love this spa not just for its Diamond Treatments, which include its signature Red Carpet Radiance facial (from \$445), but also for the morning fitness walks on nearby Crystal Cove Beach with its tide pools and view of the Pacific. [pelicanhill.com](http://pelicanhill.com)

## **MIRAVAL RESORT & SPA TUCSON**

Zip lines and rock-climbing adventures enhance treatments (from \$70) featuring exclusive Clarins PRO Formula products. [miravalresorts.com](http://miravalresorts.com)

## **THE WELLHOUSE AT BLACKBERRY FARM WALLAND, TENNESSEE**

Offering such treatments as Japanese-style forest bathing (from \$150) and age-defying facials using apple stem cells, the new spa carries on the farm's tradition of sustainable habits for healthy living. [blackberryfarm.com](http://blackberryfarm.com)
